Route 7/15 Norwalk Project Update, Upcoming Meeting

Greetings!

We hope you are enjoying your summer so far.

Subsequent to the State reviewing the status of the Route 7/15 project (along with other transportation improvement projects statewide), we are happy to report that we are getting back into action!

We will be holding a public workshop in September 2018 to discuss the landscape characteristics (principles, key resources) for the project. A save the date email will be coming soon!

Do you use social media? Follow us on [Facebook](#) and [Twitter](#) to stay involved on project events!

We look forward to continuing to work with you on this important transportation improvement effort.

Sincerely,

Your Route 7/15 Norwalk Project Team
