

Route 7/15 Norwalk Project

Route 7/15 Norwalk Project Public Workshop on Landscape Characteristics

Greetings!

As you know, the Route 7/15 Norwalk Project is back in action! Our next step is to begin the discussion of landscape resources. To this end, the Connecticut Department of Transportation cordially invites you to a public workshop on the landscape and visual characteristics of the 7/15 Norwalk Project corridors. The meeting will include a presentation followed by an interactive discussion pertaining to visual landscape resources and features.

Date: Monday, September 17th
Time: 7:30 PM
Location: The Norwalk Inn
99 East Avenue, Norwalk, CT

This initial workshop is intended to begin the discussion on existing landscape resources and collect public input concerning those resources. Future workshops will be scheduled to continue the discussion on evaluating potential landscape improvements.

We look forward to continuing to work with you on this important transportation

improvement effort.
