

## Route 7/15 Norwalk Project

Greetings!

Exciting News for the 7/15 Norwalk Project! As required by 23 CFR part 71.121(b), FHWA issued a Finding of No Significant Impact (FONSI) on July 31, 2024, in compliance with the National Environmental Policy Act for the Routes 7/15 Interchange project in Norwalk—State Project No. 0102-0358. The complete FONSI can be viewed on the Project's website: [www.7-15norwalk.com](http://www.7-15norwalk.com).

CTDOT and the consultant team will proceed with the preliminary design over the coming months. This fall, a public information meeting will be scheduled to review the preliminary design.

Have a great rest of your summer.

Sincerely,  
The 7/15 Norwalk Project Team

### Welcome

The project is an initiative to provide the missing connections between Route 7 and Route 15 (Merritt Parkway), and improve mobility and safety at the Merritt Parkway's Main Avenue and Route 7 interchanges
